Find out about our Fl

Court markings and block painting

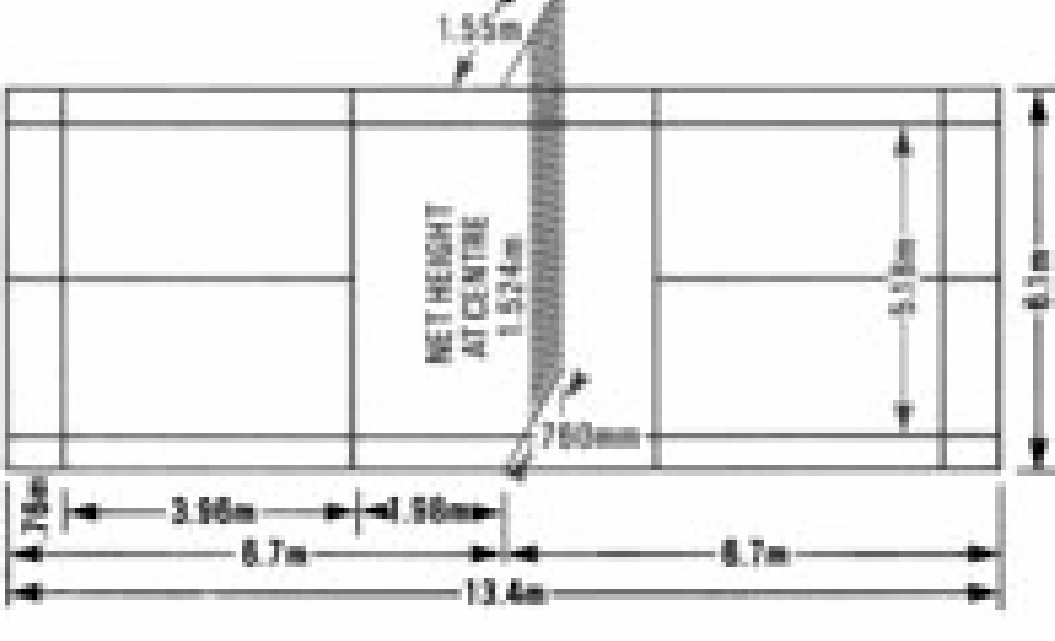

We apply painted court markings for badminton, basketball, five a side football, football, handball, hockey, netball, short tennis, tennis and volleyball to most indoor and outdoor surfaces. We also block paint outdoor surfaces eg tennis courts and netball courts. We can also provide taped temporary markings to most indoor surfaces if required. See also [floor sanding and sealing](#) and [Sports floors](#). We can carry out all markings on the following surfaces:

- Court marking on indoor wood floors
- Court marking on indoor Granwood floors
- Court marking on indoor vinyl floors
- Court marking on indoor polyurethane floors
- Court marking on external tarmac and concrete surfaces
- Court marking on external rubber surfaces
- Court block painting on tarmac for tennis, netball, basketball and five a side

Olympic multi-court marking

- court dimensions 18-30m long x 12-20m wide
- line colours red, blue and green, width 50mm (2")
- ideal for practise five a side, netball, short tennis, volleyball and for running and games using the lines to divide the court and the dashes around the perimeter as bases or stopping points

Badminton court marking

- court dimensions 13.4m (44') long x 6.1m (20') wide
- line colour white, width 38mm (1 1/2")
- playing area - Club - 16.5m length x 8.5m width x 7.6m height
- playing area - International - 18m length x 10.5m width x 9.1m height

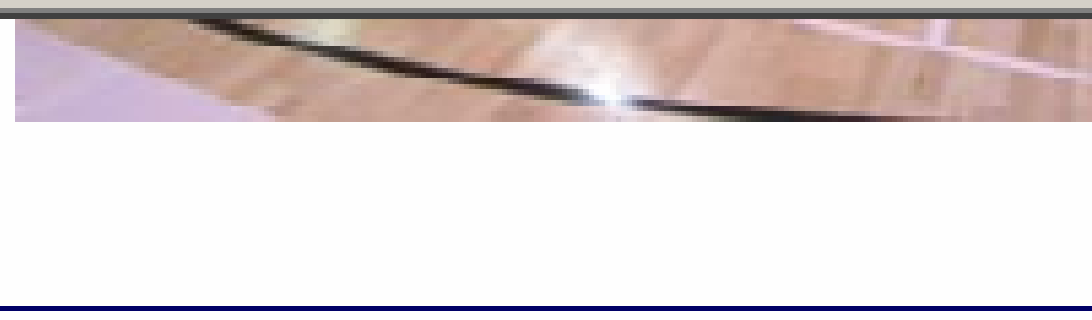

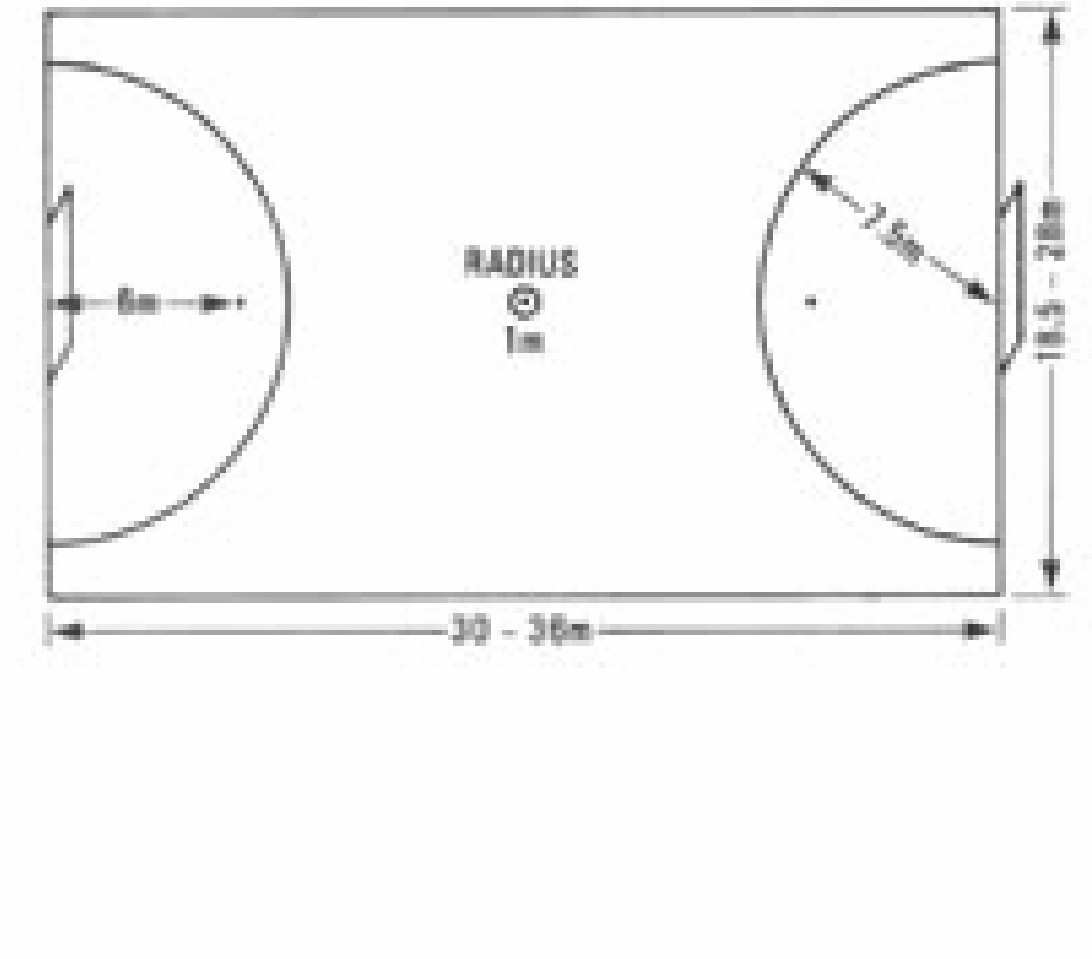

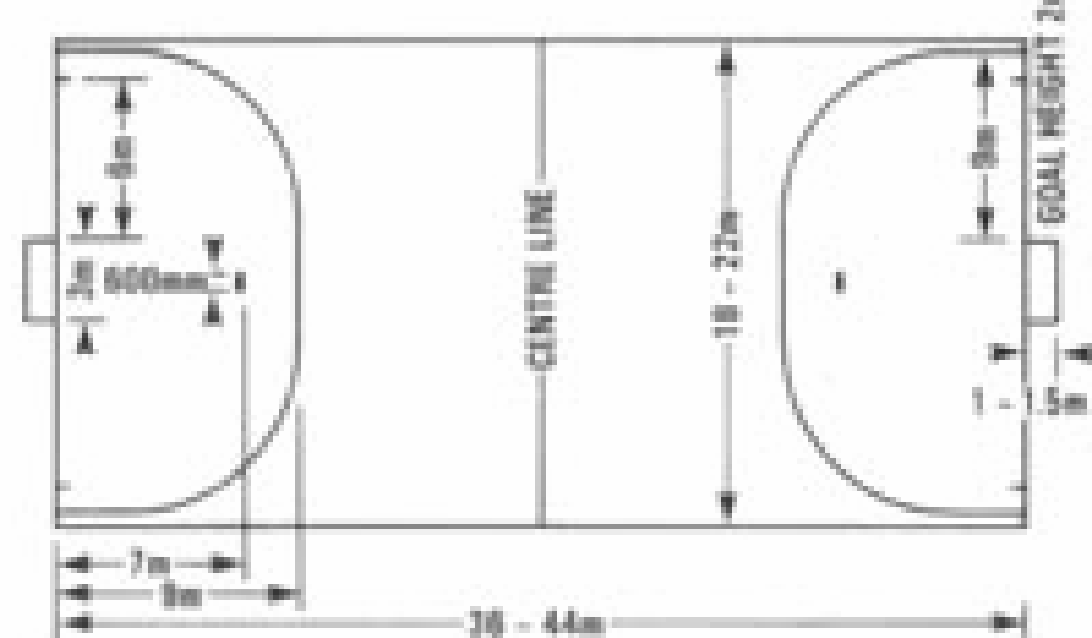

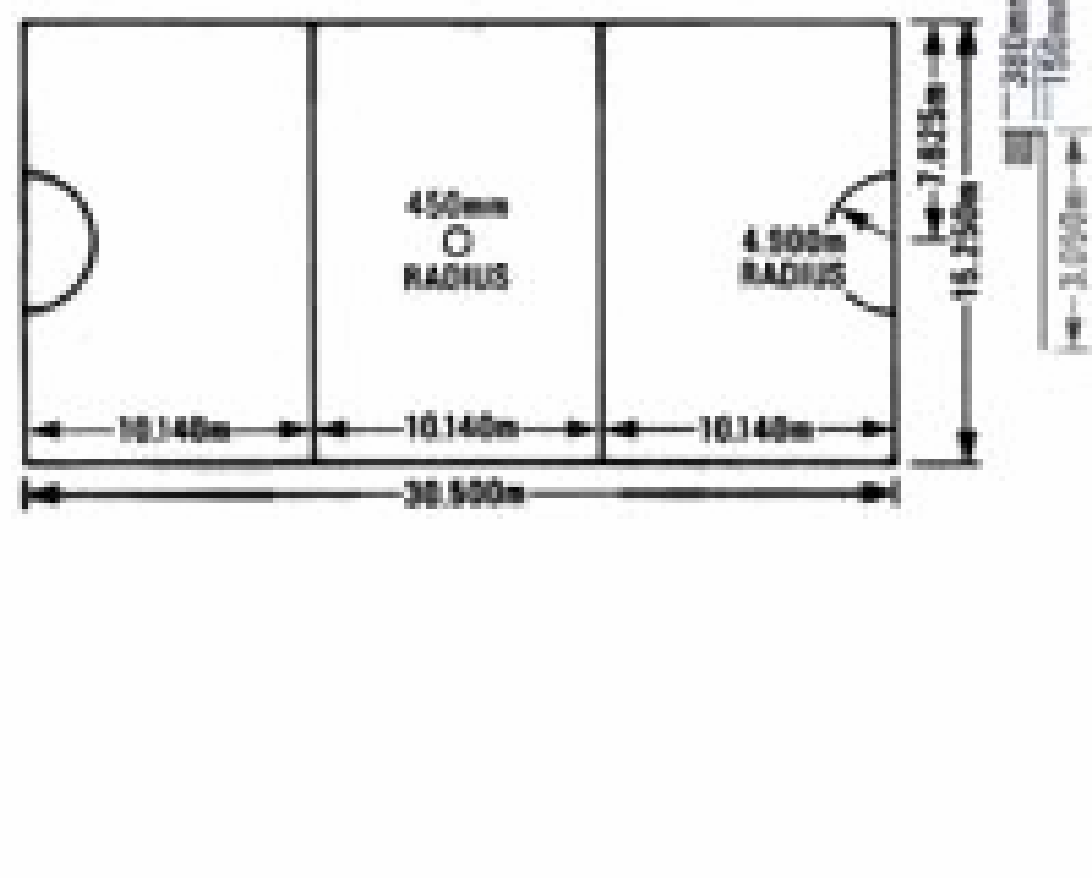

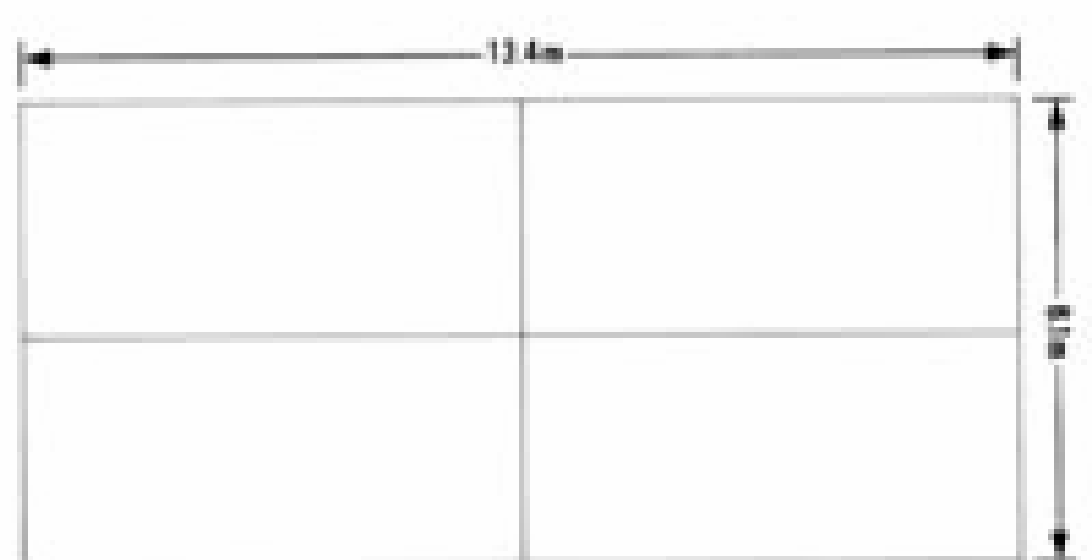

Basketball court marking

- court dimensions 28m long x 15m wide
- line colour black, width 50mm (2")
- playing area - 1m beyond all lines minimum, 2m recommended, 7m height
