Dear Rachel,

Thank you very much for your prompt reply and attachment.

We are advised on the matter of guests and will make suitable arrangements accordingly.

Our only course of action after guests have played 3 times is to say they are no longer covered if they play, and neither are the members who they are playing.

Kind regards,

Steve Edwards

Mr Edwards,

Further to your e-mail to my colleague Matthew Roberts yesterday please be advised that the cover that you have in place with us currently only covers members of your club. However, non members of the club are allowed 3 "taster sessions" in which they are able to take part in your club activities up to 3 times. After their initial taster sessions they would then have to become full members of your club. You would also be required to keep a log of all non members that take part in these taster sessions.

With reference to your coaches, please be advised that if they are members of your club they will be covered under the Professional Indemnity Section of your Civil Liability Policy. It is only when coaches are not members of your club that they will need to take out their own Professional Indemnity Insurance.

Please also find attached an electronic version of the Civil Liability Policy Wording. <<Combined Mutual Policy Wording.pdf>>

If you have any further questions then please do not hesitate to contact me as I will now be looking after your policy,

Kind Regards,

Rachael England
