

Rang Alex on 15 August 2009 09:15hrs (07766 774 477)

**Asked if he was intending to do the court roof today.
He said he was on his way and would be at the court in 1 hr.**

Asked Alex if I needed to be around (as going to air show in Eastbourne). He said no need but needed code to door. So gave to him.

Asked Alex if he would check the condition of the entire roof. He said he would.

Alex said the job should take 3-4 hrs and to call him if there were any more leaks.

Thanked Alex and said would be in touch.

Steve (15.08.09)

Inspected roof on 17.08.09. Repairs looked in order and photos taken.

Flashing (centre) also appears to be coated with sealer. Side flashing also covered in sealer.

New flashing coated with sealer. Can also see sheet capping also coated. All cappings have been sealed similarly (see enlarged below).

Enlarged view of all coated sheet cappings (circled as examples).

**Now in process of paying the bill (£690 incl VAT).
