

# pH Bar Newsletter

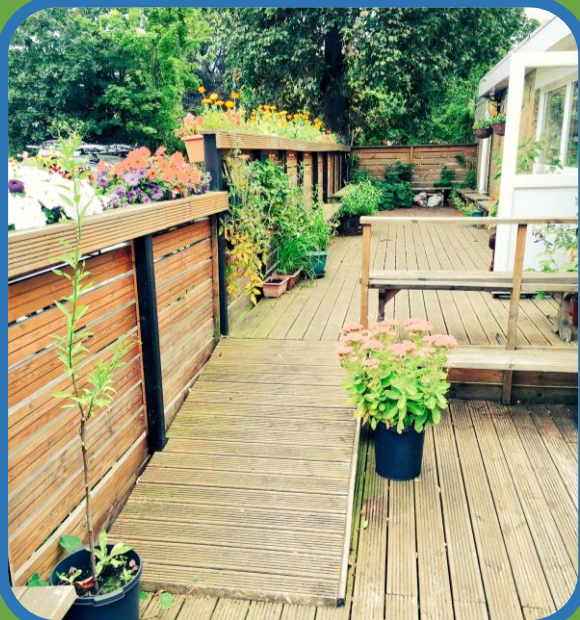

Volume 1, Issue 1 18/05/2022

Welcome to the first issue of the pH Bar newsletter. We will use this newsletter to update everyone of the latest events and drink offerings. In this edition you'll find information on the events we run at the pH, a profile on one of our fantastic volunteers and a puzzle you can solve to win free drinks!

New Offer!

**New Happy Hour!**  
**All drinks 2-4-1**  
**5-6pm every Friday!\***

\*Terms and conditions apply

The pH bar is open to everyone every Friday from 5 pm, however we also host extra events (private and public) on other evenings. In the last month the bar has hosted a leaving party, postdoc pizza night, and two conference after-parties. If you would like to use the pH bar to host a social event for your group or department, please get in touch.

## Games

The pH bar has a large selection of board games available to play. In the past, the bar has hosted regular board games night and we are looking for volunteers to start up and help run these again!

## Volunteer of the Month

Each newsletter we will be doing a profile on one of our bar staff – this time, our volunteer of the month is Rachel Parker:

“I’m a PhD student in the Cancer Genomics and Evolution group. My project aims to understand the consequences of aberrant methylation in cancer cells. In my spare time I love ballet, bouldering, bevs and bad boogying, especially at the phbar! The thing about the phbar is: the good times are always rolling, the beer is always flowing and the people are the coolest cats you’ll ever meet. Plus, when you’re the bartender, you’re also the DJ... ”

## Drink of the Month

The pH bar stocks a wide range of drinks. Our new Black Sheep Milk Stout is a velvet, creamy stout packing notes of chocolate, vanilla and coffee. Has garnered reviews such as “Like a milkshake but alcoholic. Cheers!” and “A smooth finish that’s sure to leave you wanting more!”.

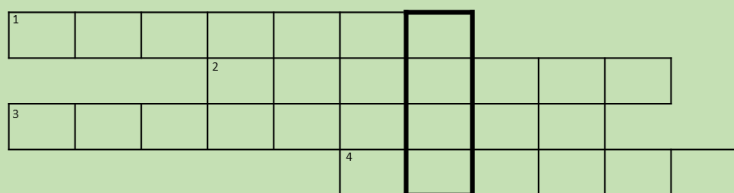

The milk stout costs only £3. Come and give it a go!

## Puzzle

Well done if you’ve made it this far into the newsletter! Solve the puzzle below and send the solution to [phbar@icr.ac.uk](mailto:phbar@icr.ac.uk) to be in for a chance to win a drinks card worth £5 to spend at the bar!

Use the clues to find the word spelled out in the bold box!

1. The committee that is responsible for sports and upkeep of the hall
2. Pals
3. Selfless pH bar staff member
4. Type of snack available at the pH bar

If you would like to join our list of volunteers or the pH bar committee, please send an email to [phbar@icr.ac.uk](mailto:phbar@icr.ac.uk), or pop down to the bar and chat to any of us working behind the bar.
