Summer Events @ the pH Bar

Pimmbledon

7th/8th July

Come down to the bar to watch the Women's (Thursday) and Men's (Friday) Wimbledon semi-finals on the big screen. Glasses of Pimm's will be available for only £2.50 a pint (£1.50 for a half)!

Return of the Quiz

Thursday 28th July and 25th August

The much-loved pH bar quiz will return on Thursday 28th July. The bar will be open from 5 pm and the quiz will start around 6 pm.

Entry is £1 per person and the winning team will be in with a chance of taking home a rollover jackpot! Teams can be up to 6 people, so get one together from your office or lab and join us there.

August Beer Bonanza

Friday 19th August

Join us for an evening of beer! We'll be buying in a selection of new beers and cider. The event will be ticketed – covering food and at least one drink. More details to follow!

Volunteer of the Month

Our volunteer of the month is Paul Gape:

“I’m a radioisotope physicist working between the Royal Marsden and the ICR. Mostly I’m looking ways we might improve molecular radiotherapy, which is a treatment whereby we inject patients with radioactive drugs that specifically target cancer cells. Outside of work I like riding my bike, growing veg and a long bath. For me, the pH Bar has been a really nice way to meet people in various roles around the place. It’s great that we still have a hospital bar, we ought to make sure we use it!”

Drink(s) of the Month

We have a wide array of spirits at the bar including gin, vodka, dark and light rum, whiskey and tequila. We have a new Balvenie 12 whiskey described as “Gristy and hugely inviting!”

Available mixed with our selection of soft drinks, as a shot or on the rocks! Spirit singles are £2 and doubles are £3 (Balvenie is £2.50/£4)!

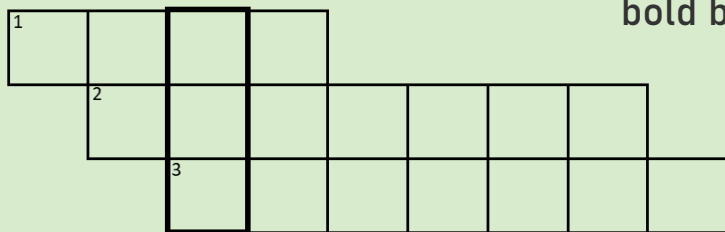

Puzzle

Solve the puzzle below and send the solution to phbar@icr.ac.uk to be in for a chance to win a drinks card worth £5 to spend at the bar!

Last month’s answer was BEER and the winner was Emily Williamson!

Use the clues to find the Wimbledon themed word spelled out in the bold box.

1. Herb often found in a Pimms cup
2. Wooden patio outside the pH bar
3. Spirit found in a Margarita cocktail

Ups Club Questionnaire

Please fill out in our [questionnaire](#) about the loss of the sports and social facilities if you haven’t already! We are using this as evidence to the RMH/ICR that a sport and social space should remain on site!

If you would like to join our list of volunteers or the pH bar committee, please send an email to phbar@icr.ac.uk, or pop down to the bar and chat to any of us working behind the bar.
