

pH Bar Newsletter

Volume 2, Issue 1, 13th January 2023

Happy New Year from the pH Bar!

Head down to the bar this January

Shake off the January blues at the pH bar! What better way to spend a wet and wintery Friday afternoon than at the pH bar. We're open every Friday from 5 pm!

For those doing dry January, we have low alcohol (0.5%) beer Lucky Saint available! We also have a new wide variety of soft drinks available from 20th Jan, including Sprite, Fanta Orange, San Pellegrino Lemon, and apple and orange juice.

The pH bar has a large selection of board games available to play. In the past, the bar has hosted regular board games night and we are looking for players to start up and help run these again!

The January Quiz

The pH bar quiz is back! Come down to the bar on Thursday 26th January at 6:00 pm in teams of up to six for a chance to win the rollover jackpot! Entry is £1 per person.

The jackpot again went unclaimed at the last quiz so is now at a rollover of **£107!**

PhD students Dani and Charlotte will be hosting!

Come early to guarantee a table!

Volunteer of the Month

Our volunteer of the month is Alice Harnden (me):

Hello, I'm Alice and I am the Bar Director and Staff Manager of the pH bar. I'm generally oversee a lot of the bar's goings on and specifically manage the bar volunteers! I also write the newsletter every month (feedback welcome). My day job is as an SSO in Medicinal Chemistry 4. The bar is the only social space for the ICR and RMH to interact and we are in danger of losing it. If it's a space you want to remain for future staff and students, please come down and support the bar!

Drinks(s) of the Month

We will be doing several 2-4-1 deals on a number of beers as we look to streamline our beer selection. These deals will run all night long beyond happy hour – catch them before we run out!

If you have any suggestions about what drinks/snacks you'd like us to stock – please let us know!

Puzzle

Solve the puzzle below and send the solution to phbar@icr.ac.uk to be in for a chance to win a drinks card worth £5 to spend at the bar!

Last month's winner was Joanna Wilk!

Solve the clues to find the hidden acronym

1. Lucky _____ - our new non-alcoholic beer
2. _____ - everyone's favourite salty bar snack
3. London _____ - brand of beer

If you would like to join our list of volunteers or the pH bar committee, please send an email to phbar@icr.ac.uk, or pop down to the bar and chat to any of us working behind the bar.
